

Inviting potential Aluminium Scrap Suppliers

MT / Month 1V,0 – Post-Consumer Aluminium scrap Required

Being an Environmentally responsible Organization, we have developed our products which could be made out of recycled / post-consumer Aluminium products.

Our recycled product – LOW CARBON BILLET.

At Al Taiseer Aluminium, we always have a need for Aluminium scrap. We are looking to buy 1V,0 MT of post-consumer Aluminium scrap from local / international Aluminium scrap suppliers on a monthly basis. We invite genuine and reliable Aluminium scrap suppliers who can provide the best quality scrap provided the price is feasible. We would like to inspect your Aluminium scrap with our technicians before making our purchase.

Interested Aluminium scrap sellers, please contact us now.
